ENGELSTRAKEN  
IN DE WERELD VAN  
DE 17e EEUW

# EMISSARIES

A three-act play, written & directed by Adrian Veale

Three different stories.  
Three different centuries.  
Three English expats in Antwerp.

25, 26 & 27 April 2025 – Theater Het Klokhuis

# Emissaries

Emissaries tells three stories of English expats in Antwerp at different points in the city's history - Saint Willibrordus (in the 690s), Aphra Behn (in the 1660s), and a fictional young record company executive in the 1960s.

Very different stories in very different ages.  
But history is full of echoes, isn't it?

Emissaries is a melting pot of roleplay, spin-doctoring, intrigue, betrayal, international politics, love stories and cautionary tales.  
It's a love song to theatre.

And it's an ode to Antwerp and the expats it welcomes.
